STUDENT COUNCIL

The Student Council handles a large percentage of the student affairs at Astoria High School. Although it is under the jurisdiction of the administration, it capably handles the problems of the student body in an efficient manner with little or no help.

The large council of forty-two has a distinct advantage over the groups at Astoria High School in former years when the council seldom consisted of more than six or seven members. The student body is more adequately represented and has the opportunity to voice its opinion more actively.

The forty-two members who make up the council include the following: the student body officers who are president, the four vice presidents, secretary, treasurer, yell queen, student athletic manager, Astor Post editor, Assistant Astor Post editor, Zephyrus editor, Assistant editor of Zephyrus; the four class presidents; a representative from each third period class; and the principal and vice principal of Astoria High.

The representatives do exactly what their title implies, represent the students. They bring the students' opinion to the council where the problems facing the student body are analyzed and solved.

The council is divided into seven committees whose chairman meet each week to determine business for the council and to decide the way the problems will be introduced to the larger group. The seven committees are awards, assemblies, parking and traffic control, legislative, school spirit and morale, grounds and buildings and safety.

STUDENT STORE

The student store under the advisory of the student council is an innovation of Astoria High.

The store is located in the library book room at the east end of the main floor. It opens before school, in between classes, and at noon and enables a student to purchase pencils, paper, kleenex, cough drops, and 'other' supplies. Ice cream can be boughten down on the lower floor.

Serving as the manager, which is a student body office, will be Allan Stone. Students from different clubs sell the supplies to the students.

Student Store Manager Allan Stone

Patriot Hall:

Gymnasium

Homemaking Department - rooms 31-32

ATTENDANCE

Prompt regular attendance being necessary to successful school work, students should be absent or tardy when unavoidable. In cases of absence the student, upon returning, should bring a written excuse stating the date and cause of his absence and bearing the signature of his parents or guardian. This is presented at the desk in the Dean's Room or in the Vice-Principals Office.

TARDINESS

Students not in their seats when the bell rings are considered tardy. In such cases a tardy slip must be obtained from the office. Persistent tardiness will not be allowed.

PRE-EXCUSES

Students wishing to be excused from any or all classes after reaching the building must secure an excuse blank at the office and have it filled out by all of the teachers on your regular schedule. After the dean and the vice principal have also signed the blank, it must be returned to the office where it is kept for reference.

EXCUSES

Students who have been absent from school for any length of time must bring a written excuse from home stating the reason for absence and signed by the parents or guardian.

The girls excuses are brought to the dean and the boys to the vice principal. You will then receive an excuse blank which is to be signed by all of your teachers and returned to the office at the end of the day.

Students who fail to bring an excuse are given a temporary unexcused absence form, which will be replaced by an excused absence form when a satisfactory excuse is brought from home.

STUDY HALL REGULATIONS

Students leaving a study hall for another room or the office, must sign up on the study hall slip which is provided by the teachers in each room. Not more than one boy and girl is permitted to leave the room at one time, ever one being required to return within a three-minute period if not excused for a longer time. Students should not converse with each other except when granted permission by the teacher in charge. When permission has been granted, the pupil should communicate only for a reasonable time.

DIRECTIONS FOR STUDY

1. Follow your program regularly.
2. If possible, study your lesson immediately after assignment is made.
3. Take brief notes and afterwards study by outline.
4. Use dictionary and reference books for points not clearly comprehensible.
5. Concentrate your mind so that outside interests will not frequently disturb your study.
6. Do not try to commit exact words until you understand the content.
7. Connect the important facts of the new lesson with facts previously learned.

8. The extra efforts spent on preparation pays the greatest intellectual dividends.

LOCKERS

Lockers are a storage compartment in which students keep their books and necessary school equipment.

Lockers are issued at the beginning of each school year upon entering school. A locker may be shared by two or more students.

If a student desires to place a lock on his locker he may do so.

GRADING SYSTEM

The grading system at A.H.S. is:

- A (93-100) Superior
- B (86-92) Excellent
- C (77-85) Average
- D (70-76) Passing
- U (Below 70) Failure

REPORT CARDS

Report cards are a means of letting the parents know how well their students are doing in their subjects.

Report cards are issued every nine weeks and are marked either A, B, C, D, or U. A meaning (93-100) Superior, B (86-92) Excellent, C (77-85) Average, D (70-76) Passing, and U (Below 70) Failure.

Report cards must be signed by a parent or guardian and returned to school.

If a report card is not returned to school a fee must be paid for making out a new card. This fee is ten cents.

GRADUATION REQUIREMENTS

To graduate from Astoria High school a student must have the following qualifications:

- (1) Have attended four years of high school.
- (2) Earned 19 units. (A unit is given for one year of satisfactory work in each subject)
- (3) Completed the required subjects.

Freshman:

English, Social Education, Mathematics, Physical Education.

Sophomore:

English, Social Science, Biology, Physical Education.

Junior:

English, American History. Physical Education.

Senior:

English, Civics, Physical Education.

A student may take as many subjects as he desires but every student is advised to carry five subjects, including physical education, each year.

NON-RESIDENTS

Non-residents, that is, pupils whose parents live outside of the Astoria school district, are allowed to go to Astoria High School if there is no accredited high school in their district. In this case the school district from which the student comes pays the tuition. If a student lives within a district where there is an accredited high school but insists on coming to Astoria High School, he then must pay tuition. Student over 21 years of age must also be required to pay tuition.

SCHOOL FINANCES

Money from all organization in the Astoria High School is deposited through the office. Two sets of books are kept, one by the faculty financial adviser, Miss Lamb, and one by the treasurer of the student body. Each class and organization keeps a separate account of all receipts and expenditures. These books are checked monthly with the books of the financial adviser.

The student body funds are expended by action of the student body, and organization funds by action of the club or class adviser. All purchases must be preceded by a requisition signed by the advisor and principal. All bills are paid by checks signed by the principal. A financial statement of all money received and expended is made each month and filed in the office.

SCHOOL PROPERTY

This is your school building and you should therefore care for it in the same manner as your property. Care of school property on the part of the students show an appreciation for what has been provided. We are not in the position to request the school district for additional equipment unless we show ability and the desire to take proper care of what we already have.

CLEARING THE BUILDING

Students should be out of the school building by 3:45 o'clock, unless they are staying under the supervision of some teacher.

DEAN'S ROOM

The Dean's room is a room in which girls who become ill during school hours may go and rest.

The Dean's room is under the supervision of Miss Upham and during the six periods of the day she has helpers who are called Dean's Lieutenants.

This room is not to be used by any student as a study hall.

STUDENT EMPLOYMENT

Many students in the High School are partially self-supporting. Students are able to secure employment of different types by leaving their names with vice-principal in the office.

LOST AND FOUND

All articles either lost or found are turned into the dean of girl's office. Books and other school equipment are turned into the office.

STUDENT BODY ACTIVITY TICKET

A student body activity ticket is bought by every student at the first of the year who wishes to be a member of the student body. The ticket cost \$5.00 and enables the purchaser to attend all games, plays, concerts, and other student body privileges, and to receive the Astor Post free of charge.

STUDENT INSURANCE

This is a Student Mutual Benefit Plan which covers any accidental bodily injury that may occur from the time you leave home directly at the close of school. This is also subject to special limitations. The price is \$1.50 per student and will pay a maximum up to \$300.

DROPPING OR ADDING CLASSES

Dropping and adding classes must be referred to the

teachers and the office to be accepted or rejected. A form, which can be obtained in the office, must be signed by both the teacher and vice-principal.

PARKING AREAS

Students who bring cars to school may park them in the student parking lot in back of the school. Teacher parking is reserved in 16th street and on Jerome. Students may park on the side of Patriot Hall except where restricted for shop loading. No cars may be parked on the street side of 16th street.

CAFETERIA

The cafeteria on the lower floor serves wholesome lunches at a very reasonable cost. Lunches are to be eaten in the lunch room and rooms 1, 2, 4, and 5 and the trays are to be brought back to the cafeteria and stacked when through. Lunch tickets can be purchased in the book room, which is directly across from the office every Monday morning. They also can be purchased every noon at the same location.

ASSEMBLIES

Student body meetings are held in the gym whenever the student body president and principal think a meeting is necessary. Other assemblies are the awards talent, pep, installation and various other ones.

BULLETIN BOARDS

There are three bulletin boards located, one at each end of the hall on the third floor, and one at the west end of the second floor.

On the east bulletin board of the third floor is placed all scholastic information. On the other two bulletin boards can

be found information on current and coming events, the Astoria High Creed, and other useful information.

REGISTRATION AND FEES

Registration for the next school year is at the end of the preceeding school year. At this time, students are required to fill out a schedule program for the following year, listing all elective and required subjects. This slip is placed by the student in the box on the return book table. It is stamped by the librarian and returned by the librarian to the study hall teacher, not the student. Students are required to be in the library by the first five minutes of the period or they will not be admitted. Students remain in the library until the bell rings at the end of the period.

TRADITIONS

Each year the students at AHS carry out certain activities set up by former students. We shall try to mention a few of these.

"Hello Day" is one of the first days of school. Its purpose is to help old and new students become acquainted. Hello tags are given out by the Service Club, the sponsors of this day. You are to say "Hello" to everyone you meet all day long.

During the year different clubs sponsor various dances which are open to all students. These are usually informal and school clothes are in order. All outside dates must get guest cards signed by an advisor and the principal.

The Senior Ball is a formal dance given entirely by the seniors and their advisors. The dance is held sometime in December. The theme is always kept secret until the night of the dance.

The juniors give their annual dance in the spring of the year. It is a formal dance put on much the same way as the Senior Ball. There is much rivalry between the two classes as to which can put on the better dance.

The Soph Hop is a cotton and cord dance given by the sophomore class. The sophomores pick a theme as the juniors and seniors do, but their dance is not so elaborate.

Last but not least is the Freshman Cotton and Cord Frolic. The freshmen prove that they have talent by putting on one of the most successful dances of the year.

Each spring many clubs take advantage of nice weather to hold picnics, parties or potluck dinners. These provide a happy climax to the year's activities. These usually take place at the beach.

Class day is the climax of the year next to commencement, for the senior class. The will and prophecy are read and everyone enjoys the gay assembly.

Let's all remember these traditions and hold in mind that it takes full student body cooperation to make them a success. It's up to you.

Publications

ZEPHYRUS

The Zephyrus is the annual at the Astoria High School. Many hard hours of work are put into this book by the editor and other members of the Zephyrus staff. They begin their work in the fall and their worries aren't over until the book is distributed to the students. After all pictures are taken and sent to the engravers, writing and rewriting begins and when finished, the copy is released to the Astorian-Budget.

ASTOR POST

The Astor Post staff is open to all students interested in working on the paper. Editors and column writers are not the only persons involved in publishing the Post. There are many hard working students, "the men behind the headlines," who cooperate with department heads to meet deadlines. The typists, headliners, proofreaders, reporters, feature writers, Frosh and soph cubs all devote their time and talents to put out Astoria High's newspaper.

FISHERMEN'S LOG

The Fishermen's Log is a booklet put out by the students of Astoria High School. Its purpose is to acquaint the new students with the activities of the school. It always contains the school songs, yells, and other information which proves very helpful to the new student.

LIBRARY STAFF

The Library Staff assists the students of the high school by keeping the library in order, checking out their books, pamphlets, and magazines, and helping them find the necessary information they need for reference in their actual school work.

The library staff is chosen through application; grades of the student, personality, willingness to serve the school, and available work time are the qualifications.

BAND

Any student body member who is interested in music may become a member of the Astoria High School band. The success of the band depends on each individual. It meets one period a day and credits are given for this activity. During previous years, the band has taken part in many school and public activities. They are under the direction of Harold Withnell. During games and assemblies, the band in their colorful uniforms add a great deal to the school spirit.

CHORUS

The Astoria High School choruses are also open to any student body member. There are to be two Mixed Choruses and a Girl's Glee Club along with several smaller ensembles, all under the direction of Ralieggh McVicker. These groups are regularly scheduled classes and participate in school and public activities.

JOURNALISM

This is an accredited class and meets one period each day. It is very worthwhile for any student interested in writing as a career, or just as a hobby. If you are interested in writing for the "Astor Post" it is suggested that you take this subject, although it is not required.

HI - TIME

The Hi-Time Club is an organized, accredited class. The students join this club in order to learn how to put on a radio broadcast. This does not only include vocal training, but also a view of what goes on behind the scenes in radio. Members of this club are kept busy preparing their weekly radio program, Hi-Time, which is broadcast over KAST, Astoria's Mutual station. The program consists of news of high school activities, musical talent, and a panel discussion of various topics. The advisor for this club is Miss Crouter.

Organizations

There are many active clubs in Astoria High, some in direct union with classes, others as an organized source of entertainment and recreation. There are few restrictions for membership. Students are invited and urged to join those clubs in which they are interested. An active member should attend as many meetings as is possible and enter wholeheartedly into the club's activities.

A brief summary of the clubs is found on the following pages. Read them through and be thinking which ones you would like to join.

JUNIOR CLASSICAL LEAGUE

The Junior Classical League is a national organization, the purpose of which is to acquaint its members with the civilization of Greece and Rome. The students make yearly booklets that prove to them how the world today is indebted to these great people for government, law, literature, language, and art. Oral reports are also given on these projects. Their advisor is Miss Bergman.
